<ul style="list-style-type: none"> • The Nursing program is restricted entry and not all students who meet the prerequisite requirements will be accepted into the program. It is the student's responsibility to read all Nursing program admission requirements located at: https://mhcc.edu/Nursing. • This course planning sheet is subject to change, is used for informational purposes only, and does not guarantee acceptance into the Nursing program. Students must earn a grade of "C" or better in each course and have a minimum prerequisite course GPA of 3.0 to be eligible to apply. • Please note: Retaking Anatomy & Physiology will deduct points from your application. 			

BI231, MTH095 or higher and a minimum of 30 prerequisite credits must be completed by the end of the Fall term to apply.

- Some of the courses above have prerequisites or placement requirements before you can register for them. It is important to meet with an academic adviser to make an education plan so you can ensure you have all the minimum requirements met by the end of the Fall term before you apply to the program.
- To meet with an adviser, visit <https://mhcc.edu/advising> and follow the instructions to schedule an appointment.
