

Course Articulation Agreement

between Mt. Hood Community College and Warner Pacific College

This articulation agreement is between Mt. Hood Community College (MHCC) and Warner Pacific College. The purpose of this agreement is to develop, maintain, and promote a smooth academic pathway that supports successful student transition from MHCC's Associate of Applied Science in Mental Health, Social Work and Addiction Counseling to the completion of the WP Bachelor of Science degree in Social Work.

This agreement will be updated as courses are added, deleted, modified or re-titled, including changed course numbers. It is the responsibility of the school making the changes to notify the other partner school of the changes so that appropriate updates can be made. Curriculum changes by either WP or MHCC must be communicated in writing no later than June 30 of any academic year for the subsequent academic year.

This agreement is dated May 1, 2017 beginning with the MHCC graduating class of the 2016-17 academic year, and shall remain continuous unless terminated as provided herein. Either party may terminate or suspend this Agreement for convenience upon sixty (60) days written notice; provided, however, that the parties shall discuss and reasonably attempt to resolve the issues that led to the notice of termination or suspension during the sixty (60) day period.

Admissions to WP does not guarantee admissions to specific WP degree programs which may have additional requirement such as GPA, test score or other criteria. This agreement does not convey any promises, such as financial aid or course placement, unless otherwise noted. Students wishing to enroll at WP must meet the following admission requirements:

1. Meeting all WP admission criteria (either freshmen or transfer student) prior to enrollment in the student's first WP course.
2. Passing with a grade of C- or higher all required community college courses as identified in this agreement.

The MHCC Associate of Applied Science in Mental Health, Social Work and Addiction Counseling program has been reviewed by WP faculty and approved for articulation into the Bachelor of Science in Social Work. Students are responsible for notifying the WP Admissions and Registrar Offices when exercising this agreement to ensure the credits are appropriately transferred. Upon graduation from MHCC, students have one (1) year to enroll at WP and exercise the benefits of this articulation agreement.

Signatures on file in Instructional Services office.

Course Requirements

Courses to complete at MHCC	Credits	Courses to complete at WP	Credits
Biology (BI) course with lab	4	REL 320	3
HE202	1	PSY 140 (or PSY201 at MHCC)	3
